Hi all,

I hope you are well and enjoyed the festive season.

For your information, please see attached a notice regarding the Enabling Works application submitted to Guildford Borough Council. This notice has also been posted in the Surrey Advertiser, on our website www.wisleyairfield.com, and shared with our monthly newsletter, as well as posting a physical notice at the site.

Please let me know if you have any questions.

Happy New Year!

Kind regards

Katy

Taylor Wimpey

Taylor Wimpey is pleased to have completed the purchase of the former Wisley Airfield site and look forward to developing our proposals over the coming months.

We understand the importance of listening to the needs and feedback of local communities and we will be working closely with local residents and stakeholders as we look to shape our plans for this new community.

Thank you for taking the time to attend our online community consultation events held on 19th and 21st November 2020. We hope that you found the sessions useful, but if you were unable to attend or would like to revisit the recordings, please see the recordings of the events [here](#) for Thursday 19th and [here](#) for Saturday 21st.

- We want to work together to deliver our **sustainable community**.
- This website will be home to all the information about our plans.
- All information about our upcoming **consultation events** will be posted on this site.
- This website will be updated regularly to let you know what we are doing to ensure **community engagement**. Please subscribe below to receive updates.

We understand that there is a long planning history of this site that has not always been a positive one. As the new landowner, we want to work collaboratively with stakeholders to change this.

- We will **work together** with local authority members, community stakeholders and neighbours to ensure all voices are heard.
- We will continue to operate in a **transparent and open manner**.
- Documents relating to the site will be published on the [document library](#), including presentations and leaflets.
