

Emerging Masterplan - Presented at the
Chapter Two Community Consultation Event

Community Consultation Feedback

We held our second round of community consultation on 19th and 21st November, with residents, stakeholders and councillors attending to provide feedback and comments on the proposals so far. There were opportunities to ask questions on topics ranging from, the emerging masterplan, sustainable modes of transport, ecology, and sustainability, to name a few.

This round of consultation marks our second 'chapter of engagement', with the third chapter expected early next year, followed by the the submission of the application in the second quarter of 2021. We sent out 8,739 invitations to this event, advertised in the local media and sent invitations to our Community Liaison Group attendees and requested that they shared with their members.

It was very valuable to hear your thoughts on the progress of the masterplan so far, and we welcome all feedback. Recordings of both sessions are available to view on our website, and a Q&A document answering all of the questions during the consultation events is also available.

If you are yet to watch the sessions or read the Q&A, you can do so on our website at www.wisleyairfield.com/library, and you can also fill out a feedback form.

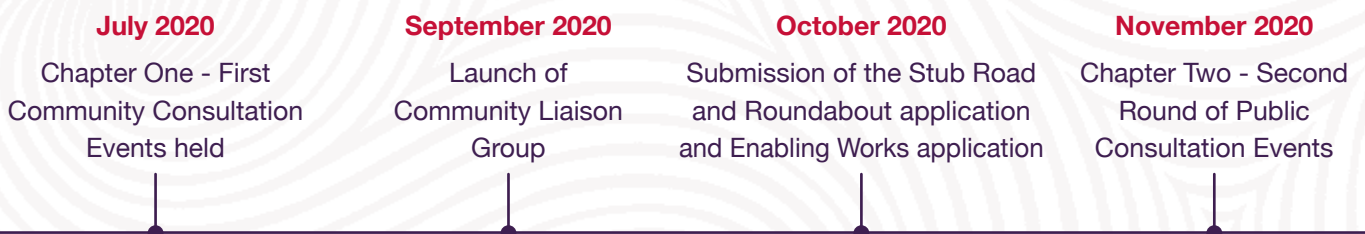

We would really like to hear from you if you attended the sessions and would encourage everyone to fill out a feedback form. The **deadline for feedback is 7th December** if it is to be included in the summary report, but any forms received after this date will still be circulated to the design team for consideration.

We would like to thank everyone who took the time to attend these events and to send in their thoughts. Your opinions are vital while designing the masterplan and ensuring that the existing community is involved in the emerging plans for the former Wisley Airfield. We are looking forward to meeting with you again next year to show you how your feedback has been incorporated into the masterplan.

In addition to the form, please do not hesitate to contact us directly via community@wisleyairfield.com or speak to your Community Liaison Group representative with any comments or questions.

Timeline

Community Liaison Group

Our Community Liaison Group brings together representatives of local community groups and stakeholders to workshop different topics in detail. So far, we have discussed transport, infrastructure, community facilities and sustainability, amongst other topics.

Minutes of these sessions are published on our website at www.wisleyairfield.com/library, along with the presentations, so please do take a moment to read through to read the discussions had on each topic.. These sessions are a really valuable opportunity for us to get the thoughts of the community representatives, so please do speak to your representative or contact the team directly using the details below to make sure your feedback is heard.

The minutes and presentation from our fourth Community Liaison Group are now available on our website.

December 2020

Second Design Review Panel

January 2021

Continued Community Liaison Groups

Early 2021

Chapter Three - Third Round of Public Consultation Events and third Design Review Panel

Second quarter of 2021

Application Submission

Design Review Panel

The key findings from the feedback are being used to shape the masterplan ahead of our next Design Review Panel in December.

These masterplan options will then be presented to the Design Review Panel, which is made up of independent professionals with architectural and design expertise. This panel will review our proposals and recommend any amendments that will help shape the plans for the former Wisley Airfield.

Once we have amended our plans based on the feedback received, we will hold our next consultation events in the New Year.

Please see the meeting minutes from the first Design Review Panel on our website at www.wisleyairfield.com/library.

Keeping Wisley Airfield Secure

Our specialist on-site security team, Kestrel Guards, have been working on the former Wisley Airfield site to prevent any anti-social behaviour.

If you wish to contact the security team to notify them of an incident, then please find their contact details below:

Kestrel Guards - 24hour Control Room

Call **02380 666 760** or email wisley@kestrelguards.co.uk

Please do not approach anyone on the site, instead contact our security team to log an incident and they will do their best to make sure any issues are dealt with appropriately.
