Community Infrastructure

Community Infrastructure

- What do you think the site needs to provide to complement the existing offer in the surrounding community?
- Previous suggestions have included:
 - Hairdressers
 - Dry cleaners
 - Padel tennis club
 - Fishing and birdwatching facilities around the SANG
 - Gym and swimming pool

Site Naming Strategy

Site Naming Strategy

- Suggestions for names for the site, villages and roads to be gathered from the community:
 - Via the newsletter
 - Via direct engagement
 - Via Community Liaison Group representatives
- Ideally, naming to focus on local heritage, history and connections whilst also thinking about giving the development its own identity.
- Taylor Wimpey to produce a shortlist, for the CLG members to vote on.
