

Have Your Say on Stratford View: The first neighbourhood at the former Wisley Airfield

About Stratford View

Taylor Wimpey has secured planning permission for a new community at the former Wisley Airfield, which will feature three unique neighbourhoods, including a total of 1,730 homes, eight Gypsy & Traveller pitches and a variety of community facilities such as a Primary school, shops and cafes. The first of these neighbourhoods, Stratford View, is set to bring approximately 460 new homes to the area, alongside beautiful green spaces and sustainable travel options.

Your opportunity to help shape this new community

Join us in shaping Stratford View by attending one of our upcoming public consultation events. Your feedback is crucial to help us create a neighbourhood that reflects the community's needs and aspirations.

Highlights of Stratford View:

- Approximately 460 new homes of which 40% are Affordable Homes
- A Neighbourhood square and central green with commercial use
- This is the first part of the sustainable movement corridor promoting active travel, frequent bus services, transport hubs, and secure bike parking for the entire development.
- Surrounded by a new Country Park and green spaces for recreation and wildlife (Sustainable Alternative Natural Greenspace – SANG)
